Dear Parents and Guardians,

Good Shepherd Parish and School uses the Archdiocesan Shared Accounting for all our accounting needs to streamline all finances; all billing and receiving is done automatically.

We use FACTS – FACTS is tuition management services that make education more affordable. Through FACTS programs, parents/families can pay tuition and fees over time, using a variety of payment methods, making it easier to afford a quality education for our children.

As part of the enrollment process, tuition will be collected through this program. In order for the enrollment process to be complete, **all families MUST register with FACTS.**

Visit <https://factsmgt.com/> for more information. The FACTS website is very self-explanatory. There are resources for you to better understand what FACTS is all about. To register, go to: <http://online.factsmgt.com/signin/42TG1>.

Thank you for all your generosity and for being a part of this wonderful community of Good Shepherd. If you have any questions, you are welcome to contact Brenda Bone at the Parish Office or myself.

Blessings,

Mariann Jones
